## Summer Term NEWS

**Welcome** to our new look club newsletter. We hope that you will agree that our new logo and club colours look great! Watch out over the coming months for new club kit that will become available at each of our training centres – bringing us together as one club.

We had a very exciting start to the year when Rebecca Ward from the Treasure squad qualified for the National Tumbling Trials. This is a huge achievement for Rebecca, the coaching team and the club – so congratulations to all!

We hope to continue to keep you up to speed with what we are doing at each of our training centers with regular club newsletters and updates. Lots of information is available on our website or from coaches at the end of each session. Please don't hesitate to ask, or to let us have any suggestions that you have on how to make our club great!
